DHARMA RAJ THANAIT

JAVA DEVELOPER

ABOUT

I have completed my BSc. (Hons) Computer Science from the University of Wolverhampton. I have worked on both individual and group projects. I love to do challenging tasks. Although I have not worked in any organization, I am a quick learner and ready to take new challenges to give better performance. The major skills which I had learnt are listed here. Not limiting this, I also have soft skills like presentation skill, communication skill etc.
